

## Mountain Bike Skills Park

We are pleased to announce that the College now has a Mountain Bike Skills Park that can be utilised by students as well as the general public. This park has been designed and developed in consultation with the Mackay and District Mountain Club to be a safe and enjoyable introduction to the sport of Mountain Biking.

Students may access the Skills Park during school hours at designated times, including specific classes and lunchtimes.

The Skills Park is also open to students and the general public outside school hours as outlined in the Terms & Conditions document available on the College website.

Students can ride their own bike on the Skills Track if it is in a safe and good working condition.

24 MCC Mountain Bikes are available to hire this Term for \$2 per Wednesday Lunch session. Payable at the Bike Shed on the day.

A Semester Bike Hire Fee is available for \$50 (starting Semester 2, 2015). This is payable at the College Office.

All riders are expected to read the MCC MTB Skills Park Terms & Conditions document available on the College Website and accept that use is subject to those terms and conditions.

Please contact Mr Lister through the College office on 49631100 or [adventure@mccmky.qld.edu.au](mailto:adventure@mccmky.qld.edu.au) for more information.
